### **INDEPENDENT AUDITOR'S REPORT**

To The Members of

Qualitek Labs Private Limited

Report on audit of the Financial Statement

### Opinion

We have audited the financial statements of Qualitek Labs Private Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss, Statement of Cash Flow, Statement of Equity for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the company as at March 31, 2020 and profit and its cash flows for the year ended on that date.

### **Basis for Opinion**

We conducted our audit in accordance with the standards on auditing specified under section 143 (10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the code of ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Responsibility of Management for the Financial Statement

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company and cash flows of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

# Auditor's Responsibility for the Audit of Financial Statements

New Delhi

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that
  is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
  misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
  collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are
  also responsible for expressing our opinion on whether the company has adequate internal financial
  controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and <u>related</u> disclosures made by management.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
  disclosures, and whether the financial statements represent the underlying transactions and
  events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

In light of the restrictions in physical movement and visits to the company offices, the Company has provided all the data / information / records as required by us for the purpose of our Audit using e-data sharing modes. We also had continuous communication with the Audit Team & Management of the Company using various modes such as Audio / Video Conferencing, etc.

# Report On other Legal & Regulatory Requirements

As required by the Companies (Auditor's Report) Order 2016 ("the Order"), issued by the Central Government of India in terms of sub section(11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in Paragraph 3 and 4 of the order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (a) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (b) The Balance Sheet and the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account.
- (c) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- (d) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (e) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in Annexure A
- (f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i) The Company does not have any pending litigations which would impact its financial position
  - ii) The Company did not have any long-term contracts including derivative contracts having any material foreseeable losses for which provision was required to be made under the applicable law or accounting standard.
  - iii) There are no amounts required to be transferred to the Investor Education and Protection Fund by the Company

# Annexure A to the Independent Auditor Report of the even date on the Financial Statement of Qualitek Labs Private Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the financial statements of **Qualitek Labs Private Limited** ("the Company") as of and for the year ended 31st March 2020, we have audited the internal financial controls over financial reporting (IFCoFR) of the company of as of that date.

# Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed under section143 (10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the 1CAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:-

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

# Opinion

In our opinion, to the best of our information and according to the explanation given to us, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

# NOTES FORMING PART OF ANNUAL ACCOUNTS

### 1 Nature of operations

Qualitek Labs Private Limited (QT Labs), a NABL ISO / IEC 17025: 2017 accredited laboratory company formed by industry professionals having more than one decade of experience in the testing, inspection, certification, homologation and audit services. They offer complete one stop end to end testing solutions to evaluate automotive material, components, assemblies and full vehicle as per Indian and International standards like ASTM,IS, ISO,JIS, BS, EN, SAE, FMVSS, DIN, VDA, Specific OEM Standards etc.

### 2 Basis of preparation

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises the applicable provisions of the Companies Act, 2013 and Mandatory Accounting Standards as per the Companies (Accounts) Rules, 2014. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

### 2.1 Significant Accounting Policies

### i) Use of Estimates

The preparation of the financial statements in conformity with Generally Accepted Accounting Principles requires management of the Company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to contingent liabilities as of the date of the financial statements and the results of operations during the reporting period end. Examples of such estimates include provisions for doubtful debts and advances, future obligations under employee retirement benefit plans, useful lives of fixed assets, contingencies, etc. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

# a) Change in Accounting Policy for Depreciation

Effective May 18, 2018 the Company changed its accounting policy to amortise depreciation on on a straightline basis over their estimated useful lives in place of written down value method. The estimated useful life and amortisation method were reviewed at the end of reporting period, with the effect of any changes in estimate being accounted for on a retrospective basis. Previously, the Company amortised depreciation on written down value method.

The change in policy has been made because it is management's opinion that the SLM method accurately reflects the value of the Company's assets.

Below is a summary of the impact of the change in policy for the previous year.

Retained earnings, March 2019

(93,17,686)**Prior Period Adjustment** 

Depreciation reversed for 2018-19 due to change in method of accounting of Depreciation from WDV to SLM

16,42,513.00

Add Creation of excess provision of DTA for 2018-19 due to change in method of accounting of Depreciation from WDV to SLM

3,52,947.00

(73, 22, 226)

### ii)Property, Plant and Equipment

# a) Initial Recognition

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. The cost of an item of property, plant and equipment comprises:

- a) its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- b) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.
- c) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which an entity incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in profit or loss.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

### b) Subsequent Recognition

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

### c) Depreciation

Depreciation is calculated using the straight-line method on cost of items of property, plant and equipment less their estimated residual values over the estimated useful lives prescribed under Schedule II of the Act.

Assets acquired under finance leases are depreciated over the shorter of the lease term and their useful lives unless it is reasonably certain that the Company will obtain ownership by the end of the lease term, in which case the depreciation rates applicable for similar assets owned by the Company are applied. Leasehold improvements are depreciated over the shorter of the lease term and their useful lives. Freehold land is not depreciated.

| Description              | Schedule II<br>Useful Life | Schedule XIV Rates (WDV) |
|--------------------------|----------------------------|--------------------------|
| Computer                 | 3.00                       | 31.67%                   |
| Books & Camera & Printer | 5.00                       | 19.00%                   |
| Office Furnitures        | 10.00                      | 9.50%                    |
| Plant & Machinary        | 15.00                      | 6.33%                    |

### iv) Impairment

The company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the company estimates the recoverable amount of the assets. If such recoverable amount of the asset or the recoverable amount of cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the profit and loss account. If at the balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

### v) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

### a) Service Income

Revenue from Service Income is recognised on the basis of Completion method.

New Delhi

### b) Interest

Interest is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

### vi) Current and Deferred Tax

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

### vii) Foreign Currency Transactions

A foreign currency transaction has been recorded, on initial recognition in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Foreign currency monetary items has been reported using the closing rate. However, in certain circumstances, the closing rate may not reflect with reasonable accuracy the amount in reporting currency that is likely to be realised from, or required to disburse, a foreign currency monetary item at the balance sheet date, In such circumstances, the relevant monetary item has been reported in the reporting currency at the amount which is keek to be realised from, or required to disburse, such item at the balance sheet date.

### Viii) Earning Per Share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

### ix) Operating Lease

Lease where the lessor effectively retains substantially all the risk and reward of ownership over the lease term are classified as operating lease. Operating lease rentals are recognised as an expenses in the profit and loss account on the basis of agreement over the lease period.

### x) Provisions and Contingent liabilities

Provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date and are not discounted to its present value.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statements.

There are no contingent liability as on 31st March 2020.

### xi) Cash and Cash Equivalents

Cash and cash equivalents comprise cash in hand, bank accounts, fixed deposits with banks and other short term highly liquid investments with original maturities of three months or less.
